

NO WATER WASTED WASHER EPA Compliance Wash Package Wash, Recover, Filter, Recycle Concrete Cleaner & Water Reuse

SC30004VH

SC Series – Mobile Wash Skid

Hot / Cold Water – Self Contained: Diesel Heated, Gas Engine

The **SC Series** is a high output hot mobile wash skid with serious cleaning power. It was designed to withstand the daily use by professionals who rely on its dependability to make a living. Its high impact power enables it to handle just about any size cleaning task with ease and without the need for an outside power source. If portability is needed add a wheel kit or mount on a trailer, truck bed or tank skid.

Drive thru, shopping center, gas station & factory floor cleaning & washing

Cleaning Solutions for Professional Cleaners

(No Water Wasted trailer package shown)

Featuring:

- ✓ **On-board Generator** provides supplemental power outlets to run lights or other accessories
- ✓ **Super Duty Heating system** uses schedule 80 coil, double wall stainless steel, and ceramic insulation combined with a proven 115v oil fired burner for durability and efficiency
- ✓ **Commercial/Industrial Engines** Twin cylinder, overhead valve for reduced emissions and maintenance. Full pressure lubrication and oil filter for long life.
- ✓ **Complete self-contained wash & recycle package:** No outside power required to both recover and reuse your wash water to comply with storm drain runoff regulations & conserve water.
