- HL050 Bearing, Hose Reel
- HL095 Latch, Hose Reel
- HL104 Hose Reel Arm, Zinc w/ slider
- HL177 Hose Reel Swivel Mount/ Index Asm.

DR055

Hydro Man Tip:

Hose Reels not only make hoses last longer, they save time and frustration. Trailer mounted reels pivot and point to where you need the hose. Always latch the lock pin to keep the hose from unreeling during use or when moving.

Patented super swivel.
