

CONVERTIBLE SIDEWALK / ROOFTOP SURFACE CLEANING ACCESSORY

The Composite Deck line of **Hydro Twisters®** provide flexibility and economy by combining the versatility of our Hydro Twister surface cleaning designs with lightweight composite technology and have an increased nozzle arm clearance which reduces arm strikes ensuring our Hydro Twisters “outlast” the competition. . The handle can be fixed or left in a full range motion. For use with max 4000psi, 4gpm or 3000psi, 3.5gpm power washer. The ANT19 comes without a trigger gun and is a floating style surface cleaner without casters. These 20” Hydro Twisters are ideal for pressure washers with lower flow.
