## SC Series – Mobile Wash Skid

### Hot / Cold Water – Self Contained: Diesel Heated, Gas Engine

The **SC Series** is a high output hot mobile wash skid with serious cleaning power. It was designed to withstand the daily use by professionals who rely on its dependability to make a living. Its high impact power enables it to handle just about any size cleaning task with ease and without the need for an outside power source. If portability is needed add a wheel kit or mount on a trailer, truck bed or tank skid.
